

3.9kW ducted air conditioning; perfect for office cooling and retail environments.

- 3.9kW cooling capacity
- Multiple air filtration with activated carbon
- Programmable 24-hour timer
- Timer function
- Casters
- Illuminated LCD with status display
- Can also be used for ventilation without cooling operation
- Adjustable air discharge direction
- Air Filter
- Room Thermostat

Detail	Trotec 3900
Cooling Capacity/Output	3.9kW
Power consumption	1.9kW
Max air flow	420m ³ /h
Power Supply	230v 1ph 50hz
Power consumption	1.5kW /hr
Exhaust Air Hose	1.5M x 148mm
Weight	33kg
Dimensions (WxLxH) mm	400x 470 x 760
Plug type	13A 3 Pin BS1363
Control	Automatic Thermostat
Running Current	8.6 amps
Sound Level	52 dB(A) at 1 metre
