

The AirgoClean® One air purifier cleans your environment of 99.995% of airborne pathogens such as viruses and bacteria, fine dust particles, mites, mould spores, pollen or allergens, as well as odours. This powerful and quiet air purifier is elegant with an effective aerodynamic shape - it takes the air in close to the floor, runs it through the filter ladder to circulate clean air back into the room.

Detail	AirgoClean® One Air Purifier	
Air Flow Rate	Suitable for rooms sized up to [m²/m³]	78 m² / 195 m³
	Level 1 [m³/h]	45
	Level 2 [m³/h]	150
	Level 3 [m³/h]	285
	Level 4 [m³/h]	420
	Level 5 [m³/h]	550
	Level 6 [m³/h]	600
Electrical Values	Mains Connection	230 v/50 – 60 Hz
	Power Input [Kw]	0.17
Electric Connection	Connection Plug	CEE 7/7
	Cable Length [m]	1.4
Sound Values	Schallpegel nach ISO 11.201	19 - 57 dB(A)
	Schallpegel nach ISO 11.203	11 - 49 dB(A)
Dimensions	Length (packaging excluded) [mm]	435
	Width (packaging excluded) [mm]	400
	Height (packaging excluded) [mm]	835
Weight	(packaging excluded) [kg]	17
Filter	Pre-filter	Synthetic Fibre
	HEPA Filter	HEPA H14 (EN 1822)
	Efficiency	99.995%
Mobility	Plastic Wheels	-
