

## GLACIER 4800m<sup>3</sup>/h Variable Speed Portable Evaporative Cooler with 110m<sup>2</sup> Cooling Capacity.

The GLACIER portable evaporative cooler has a sleek, yet durable, design and will cool an area of up to 110m<sup>2</sup>. All you need is an outlet and a standard garden hose and you're ready to fill up, plug in, and cool down.

- The Cool-Space 45cm variable speed, direct drive is completely portable with a thick, UV resistant housing that will not leak or rust
- A large 60 litre built in water reservoir offers hours of operation without a water supply connection
- Edge coated cooling media for durability and extended life
- Industry-leading 3 year warranty on parts and Lifetime warranty on housing

| Detail                      | Coolspace 16  |
|-----------------------------|---|
| Cooling Capacity/Output     | -   |
| Power consumption           | -   |
| Fan Amperage                | 1.5A  |
| Fan Motor                   | High efficiency, totally enclosed 230W / 230V / 50Hz or 60Hz                                      |
| Fan Size                    | 45 cm industrial duty aluminium, three-blade propeller  |
| Airflow (High)              | High: 4800 m <sup>3</sup> /h @ 37 Pa ESP  |
| Airflow (Low)               | Low: 1200 m <sup>3</sup> /h @ 37 Pa ESP   |
| Cooling Media               | 20 cm thick high efficiency cross-corrugated angle fluted specially formulated cellulose material |
| Water Supply                | Garden hose connection or portable supply tank. Maximum pressure 8 bar                            |
| Water Reservoir             | Internal 60 L capacity  |
| Power Supply                | nom. 230V / 1ph / 13 A minimum branch circuit   |
| Exhaust Air Hose            | -   |
| Weight                      | 68 kg   |
| Dimensions (WxLxH) (Indoor) | 654 x 610 x 1130  |
| Plug type                   | -   |
| Typical Cooled Area         | -   |
| Running Current             | -   |
| Sound Level                 | -   |
| Sound Level (Outdoor)       | -   |
| Control                     | Automatic Thermostat  |
